NATUREL.

She waltzes divinely, she sings like a bird,
Her laugh is the sweetest that ever was heard;
She's clever at acting, and expert at whist,
Her manner as hostess no guest can resist.
Her gowns are creations, her hats are au fait,
Her beauty would dazzle by night or by day,
But spite of all this—pray conceal your surprise—
This woman looks best when she breaks down and cries.

OLD RIVER DAYS

Crude Ways of Doing Business Forty Years Ago—Carried Cash in Big Chunks

Gallipolis Correspondent in Waterways Journal.

Captain John Thornburg of Point Pleasant was in town Wednesday, the 13th, and says he noticed in The Tribune where Captain Greene had said that he believed the fastest time ever made between Wheeling and Pittsburgh was by the Little Fred. The Captain says the steamer Pittsburgh holds that record, having made the distance of ninety miles between Wheeling and Pittsburgh in 10 hours and 5 minutes and made one passenger landing. He noticed also about the boats carrying money and says it was a common custom for him to carry money, when he was on the river be-

tween 1866 and 1872, to all the Banks, rolling mills, nail mills, salt furnaces, etc., free of charge only when they had to sign a bill of lading.

In carrying money for the First National Bank of Gallipolis, Mr. E. Deletombe never failed to give him a box of good cigars every month, which he smoked with great appreciation. If it was very late at night he always took the money to his home. Sometimes they had over \$100,000 on the boat at one time.

He remembers that on the 3d day of April, 1870, when Captain Holloway was in command of the Fleetwood and he was in the office, they had \$100,000 or more on the boat, when at 1 o'clock in the morning the boat caught fire between Ripley and Maysville. He had a deck passenger whom they were going to put off at Maysville. He had been allowed to sit in the hall in front of the office and he was

the first to discover the fire. Being an old steamboat man and knowing just what to do, he ran to the hose and turned the water on and extinguished the fire, and for that act got a life pass on any of the steamers of the Big Sandy Line for himself and family as long as he lived.

The attention of the colored citizens of Maysville and vicinity is called to the intended visit of Drs. James Bond, A. E. Thompson and President William G. Frost of Berea College, who will hold a mass meeting in the Colored M. E. Church of this city, Friday, November 6th, at 7:30 p. m., in interest of the new Berea College for the education of colored youth.

These lectures will be highly instructive and are of vital importance to every lover of education and every believer in the uplift of our race. Therefore, it is your duty to favor us with good attendance.

There will be reserved seats for our white friends. W. H. HUMPHREY.

In addition to the above, THE PUBLIC LEDGER will state that the new Berea will likely be located on a 1,000-acre tract of Bluegrass land between Lexington and Paris. The new institution will be modeled after Booker Washington's Tuskegee Industrial School in Alabama and the Kentucky branch will be a good second to it.

The November mass meeting of the Union League of Christian Endeavor will be held this evening at the Central Presbyterian Church, beginning at 7 o'clock. All young people interested in the welfare of our Young People's Societies should attend this meeting. The annual election of officers will take place at this meeting.

MARKED BALLOTS

Greenup Man Arrested For Tagging Voters Who Sold Out

Proctor K. Willis, the election clerk at Greenup, was placed under arrest Tuesday.

It is charged that Willis was in some way using a stamp that marked the ballots for Mr. Kehoe, Democratic candidate for Congress in the Ninth District.

Affidavits have been filed against Willis, but we are informed that the case will be quashed.

His examining trial was before County Judge Rardin.

GOVERNOR HUGHES can now give the book-makers the horse laugh.

"Oh, what a pity, in Washington City, there'll be no BRYAN there."

THE letter that never was written: From FORAKER congratulating TAFT.

"A FEW incongruous remarks" from Marse HENRY are somewhat overdue.

WILLIAM RANDOLPH HEARST made good as the Faust of the Democratic campaign.

INSTEAD of getting a seat in the Cabinet, Colonel JOHN W. KERN will go way back and "set down."

MR. GOMPERS will not be in the Taft Cabinet. To tell the truth, Mr. GOMPERS will not remain long in the Federation of Labor Cabinet, either.

THE Editor of THE PUBLIC LEDGER sincerely trusts that our great and good friend ALLEN of The Cynthiana Democrat finds something to "amuse" him in last Tuesday's Democratic tragedy.

A YEAR's subscription to THE PUBLIC LEDGER will be given to the first person who answers the question—

What is the biggest noise in the world?

Nobody barred and no entrance fee charged.

JUDGE TAFT is now to hold his first great office by virtue of the voters' preference. He has heretofore held nine important offices by executive appointment and has resigned them all consecutively. It is safe to say that he will not resign the office of President of the United States.

THERE is no doubt that strictly construed the Georgia law forbids the sale even of communion wine. This was brought out in the debate on the measure when it was asked: "How will wine be got for communion without violating the law?" In reply the advocates of the bill said: "We will leave that to the ingenuity of the Church officers."

TUESDAY gave the "Down-and-Out Club" a very big boom. As WILLIAM JENNINGS BRYAN has broken all records in politics by being three times defeated for the Presidency, he is entitled to the Chairmanship of the Club; that is, provided he solicits no cash subscriptions to "The Commoner." All attempts at newspaper graft are barred from the "D.-and-O. Club." That'll be mighty hard on WILLIE.

MR. SAMUEL GOMPERS, the busy President of the American Federation of Labor, emerges from the Democratic cataclysm very much injured and very little in the public ring. Of all the demagogues who rant of political virtue and take refuge under the tree of patriotism for selfish ends Mr. S. GOMPERS is about the limit. His spectacular rise was only equaled by his finish, which was quite satisfactory to everybody but himself.

NO MAN DELIBERATELY BUYS POOR CLOTHES.

He thinks their good, worth the money, or he doesn't want them. Just the same, lots of men are paying their good money for cheap cotton mixed goods and they think they are being real economical because they get such clothes for a little less than all wool would cost. This cotton-mixed stuff is very deceiving, even expert clothing men find it difficult at times to tell whether or not a fabric has cotton in it. As for the inexperienced wearer, we've seen fabrics that looked good enough to sell for \$20 for the suit that was at least 60 per cent. cotton and really worth about \$6 the suit. You get no such "flim-flam" when you trade with us. Thirty years selling good clothes enables us to separate the "sheep from the goats." When we say all wool we live up to it.

FOR MEN WHO CARE TO DRESS WELL

Of course, Father Time is a little bit too much for any shoe, no matter how well it is made or how worthy the materials may be, but he has a harder task when he tackles a pair of Barry Shoes, Union Made, than he does in disposing of any other shoe we know of. That means that Barry Shoes will wear longer and hold their shape better than any other shoe you ever wore. They are full of Style, as well—handsome, snappy, up-to-date shoes. We recommend them strongly to the "men who care to dress well," and who seek comfort as well as style, and who want the best shoes their money can buy—there are reasons why you personally should wear Barry Shoes—come in and try on the shoes, and some of these reasons will be clear to you—buy and wear them and you will never wear any other kind.

Missouri Tumbles Into Republican Band Wagon and Taft Figures Continue to Grow

BRYAN SWEEPED INTO OBLIVION

"Maryland, My Maryland," Splits Vote and Divides With Taft—Nothing But Good News and Stacks of It

The "Solid South" is but a memory to the untainted Democracy.

The "man with the smile" captured two Southern States, Maryland and Missouri, leaving Mr. Bryan only 150 electoral votes.

Missouri appears to be safely for Taft, to whom the latest returns give a plurality of 300, with prospects that the few final districts will double or triple these figures.

Conceding Missouri to Taft

and leaving Maryland to be split between him and Bryan, the figures show 319 Republican Electors assured and 150 Democratic.

ECHOES FROM THE ELECTION.

Taft's plurality in Ohio exceeds 80,000.

Taft carried San Francisco by over 10,000.

Governor Hughes' plurality will exceed 70,000.

Bryan carried the city of Boston by 22 votes.

Ohio's vote will exceed 1,000,000. Harmon only beat Harris 20,000.

Bryan's majority in Kentucky will be in the neighborhood of 11,000.

"Ball" Andrews returns to Congress as a delegate from New Mexico.

John W. Kern, the defeated Democratic candidate for Vice-President, is a candidate for the United States Senate to succeed Senator Hemenway in Indiana.

The latest figures indicate that Bennett's plurality over Kehoe is 699 in the District. Unofficial.

What's the use of making faces and saying things when you can't back 'em up with the cold facts?

The chief surprise of the returns was the greatly reduced Democratic pluralities from the Southern States.

Is Henderson's Suit in Federal Court Against Bracken Night Riders

The suit of W. S. Henderson of Bracken county, Ky., for \$50,000 against a number of men, whom he accused of attacking him, came to an abrupt end in the Federal Court in Covington Thursday morning. The suit was dismissed by Judge Cochran without prejudice.

Henderson claimed he was attacked by alleged night riders on December 30th, 1907, and driven from his business in Bracken county and that he was prevented from delivering his tobacco.

Hon. W. G. Dearing and Howard McCartney Precipitated Over a Steep Embankment—Miraculous Escape From Serious Injury

Hon. W. G. Dearing of Louisville, who passed through this city Saturday morning en route to Fleming county to fill an appointment where he was billed to speak at a Taft-Bennett meeting met with a serious mishap and narrow escape from death.

At Flemingsburg he was joined by Mr. Howard McCartney and the two gentlemen started on their journey in a vehicle to the appointed place.

The road over which they traveled was sinuous and the driveway scarcely discernible, owing to trees lining the highway casting a dark shadow over their pathway.

In crossing Fox Springs Mountain they became bewildered as to their bearings and the horse, buggy and occupants went over a high embankment in a promiscuous heap. The buggy was smashed to pieces, the horse somewhat the worse for its tumble, and the two gentlemen miraculously escaping serious injury.

The rest of the distance to Wallingford was belated, as well as tuckered out.

SUNSHINE CLUB

New Organization to Boost Maysville—No Knockers Need Apply

It is said there is nothing new under the sun, but here comes that hurly-burly, square-deal man with a proposition that puts to flight anything that is credited to the fertile brain of Colonel Mulberry Sellers and his ilk of phantom chasers.

Colonel Mike Brown is to the fore, and that is a sufficient guarantee that there are millions in it, and it is not a rainbow-chasing scheme, either, but on the contrary, every member of the combination is entitled to and will receive his full share of the profits and glory arising from the accrued earnings of the Association.

He has organized a "Sunshine Club," with the following officers:

President—Mike Brown.
Secretary—J. C. Everett.
Solicitor—A. B. McAtee.
Club Attorney—T. D. Slattery.

The cardinal principles of the Club are to scatter sunshine and happiness, boost everything that tends to the welfare and advancement of Maysville's interest, and do all the good you can for your fellow-man, speak well of everybody and everything, no knocking, but do all the boosting possible.

Membership is open to all good citizens who are willing to take the oath and obey the constitution and by-laws.

Come out of the darkness of selfishness and evil that now environs you into the sunlight of the good, the beautiful and true. Be one of the Club and help spread the gospel of sunshine among the knockers and kickers that they may see the error of their ways and convert them to the right.

What say you?

Are you a booster, or do you believe in knocking?

Portsmouth Blade: "The first shipment of whisky came in today from Maysville. It was sent C. O. D. to a local man and long before the express office opened he was there to get it. Express Agent Clark readily saw that the goods was to be paid for here and refused to turn it over. He shipped it back to Maysville on the first train. It was a mighty thirsty man that left the express office in disgust."

Mr. W. J. Maxey of Oklahoma, South of Forest avenue, is the proud possessor of an antique piece of furniture that he prizes very highly. It is an old-style hall clock, eight feet high, and made of cherry. The wheels and entire inside works are made of wood. The clock is said to be over seventy-five years old and has the name of L. Watson, Cincinnati, wrought on the dial plate as maker. Every part is hand-made and shows a high order of workmanship.

T. F. WILSON.

The venerable T. F. Wilson died Wednesday morning at the home of his brother, H. L. Wilson, at Sardis, of old age and general debility, aged 88 years.

He leaves one daughter and one son, Mrs. Mary E. Mullikin of Market street and Mr. Charles F. Wilson of Cincinnati.

After an illness of only a few days duration with typhoid fever, Joseph Matthews, Sr., passed away at his home on West Second street Saturday evening, at the age of 64 years.

For the past several weeks he had made his home with his daughter in Maysville, coming here about two weeks ago.

Deafness Cannot be Cured

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

BUCKLER—LINVILLE.

Mr. Orville Buckler, aged 32, and Miss Mollie Linville, aged 23, both of Mt. Olivet, drove to this city in a buggy yesterday afternoon and were joined in holy wedlock in the County Clerk's office, Judge C. D. Newell officiating in a most impressive manner.

LUCAS—SALENDER.

The Catholic Church was beautifully decorated with ferns, palms and many beautiful plants in honor of the marriage of Mr. Henry Wilmott Lucas of Middletown, Ohio, and Miss Cordelia Salender of this city.

The ushers passed up either aisle and stood by the channel rail, Mr. Robert Shea on one side and Mr. John Nunan on the other, while Mr. Jack Peters and Mr. Will Cone followed in the same manner. Following these Miss Salender, gowning in an exquisite suit, with a large black picture hat, looked very beautiful on the arm of her only maid, Miss Katherine Glancy, who wore an elegant green suit, with hat and gloves to match, came up one aisle, while the groom, Mr. Lucas, with his best man, Mr. William Miles of Middletown, O., came up the other. The bride met the groom at the altar, where Father W. B. Ryan joined them in holy bonds of matrimony in a most simple and impressive way.

The wedding was a very quiet one and elegant in its simplicity.

We join a host of friends in congratulations and best wishes to this happy couple.

The Cheapest Fat Reducer is the Best

The attention of all who are half choked and generally bedeviled by an excess of fat which, by the way, always seems more excessively excessive during the sultry season than any other, is called to the Marmola Prescription Tablets.

Seventy-five cents secures enough of these remarkable fat reducers from any druggist to last you a good while, in fact, it buys an extra large case—this is enough to make a very desirable change in almost anyone's weight. Taken one after each meal and at bedtime the loss of as much as a pound of fat a day has been attained innumerable times.

This is a royal result that seems all the more remarkable when one realizes these tablets are cheaper by a half than anything else your druggist has. But the net loss they bring about is not the only good feature of these tablets. They are pleasant to take; don't disturb the stomach; don't require one to exercise a particle or diet a mouthful, and last, but not least, do not cause wrinkles. They reduce one quickly but evenly—naturally. They produce, in short, the identical results of the famous Marmola Prescription, with which they are identical in composition. Try a case. If your druggist is sold out then write the makers, the Marmola Company of Detroit, to send you one by mail.

Although Governor Harris states he had given the matter no consideration, it is generally understood that the Governor will call the new Ohio Legislature together to meet on January 1st and elect Senator Foraker's successor.

CAN'T BE SEPARATED.

Some Maysville People Have Learned How to Get Rid of Both.

Backache and kidney ache are twin brothers. You can't separate them. And you can't get rid of the backache until you cure the kidney ache.

If the kidneys are well and strong the rest of the system is pretty sure to be in vigorous health.

Doan's Kidney Pills make strong, healthy kidneys. Mrs. Elmer Bridges, 206 West Third street, Maysville, Ky., says:

"I consider Doan's Kidney Pills an ideal kidney remedy and one that deserves the confidence of anyone afflicted with kidney trouble. I was subject to attacks of kidney complaint from childhood, and as I grew older the complaint became more severe. In my efforts to find relief I used remedy after remedy, but no benefit was obtained until I began taking Doan's Kidney Pills, procured at J. J. Wood & Son's Drugstore. They proved to be just what I needed, going directly to the cause of my trouble and entirely relieving me. I always keep a supply of Doan's Kidney Pills on hand, and a dose or two now and then serves to keep my kidneys in good condition."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.
